

NMBVA Reunion & Memorial Service at the NMA 11th August 2026

Guest of Honour Lynda Atkins Chair of the RBL, center

I hope you have enjoyed the long hot summer, which I think was also fortunate for the association's annual reunion this year, which went very well and we had a good turn out from our members from around the country. Our thanks go to our secretary Gillian Bowtell for organising the event and to the committee who assisted to make the day go well. Also we thank our guest of honour, Lynda Atkins, Chair of the RBL, the Padre, bugler, standard bearer and the NMA for looking after us so well and for providing an excellent buffet.

Chairman John Measham
